

Email Testimonial – May 13, 2009

Hi James,

It must be my lucky day. The t-shirts just arrived and they look perfect. The order is 100% correct!! Thanks so much for your assistance with this. You were so friendly, helpful and accommodating to my many logo changes. I will definitely do business with you again in the future and will also recommend your services to friends and co-workers.

Thanks for the job well done!!

Shelley Jacks
